Applicants will be screened and evaluated on military attributes directly related to the compatible military position required for appointment. Areas include military bearing and appearance, leadership, teamwork, military environment and fitness, awards and decorations. These areas will be evaluated as it relates to the whole person concept. Final selection will be based on qualification, military attributes, and suitability and the best qualified individual for appointment to the federal government.

National Guard service may be credited as full-time experience when evaluated against the qualification requirements for a military technician position. Experience must be directly related to the position and must be described in the work experience section of the application. The level of experience will be determined by the actual duties and responsibilities performed.

MANDATORY CONDITIONS OF EMPLOYMENT:

Must maintain a compatible military unit of assignment and grade.

Must wear appropriate military uniform and adhere to required grooming standards.

Must undergo Military records prescreening. Unfavorable actions or Military flagging actions may result in disqualification from employment consideration.

Acceptance of a Federal Excepted technician position may cause termination from the Selected Reserve Incentive Program (BONUS).

JOB RELATED QUALIFICATIONS and EVALUATION: Applicant must clearly identify minimum requirements, specialized job related experience and number of months. Include your civilian and military experience in separate experience blocks to include duty codes, pay grades and description of major duty assignments. If your resume does not include a narrative description of how you meet the GENERAL and SPECIALIZED experiences, you may lose consideration for this position.

GENERAL: Experience, education, or training in a variety of operations or situations concerned with substance or content of supply actions, requiring ability to decide course of action to take, considering the circumstances or conditions encountered; experience using computer and automation systems.

SUPPLY TECHNICIAN, GS-2005-07, SPECIALIZED: Must have at least 12 months experience, education, or training which demonstrates a thorough knowledge of governing supply regulations, policies, procedures, and instructions applicable to the specific assignment; experience conducting extensive searches for required information; reconstructing records for complex supply transactions; and/or provide supply operations support for activities involving specialized or unique supplies, equipment, or parts; experience performing routine aspects of supply work based on practical knowledge of standard procedures, where assignments include individual case problems related to a limited segment in one of the major areas of supply management.

SUBSTITUTION OF EDUCATION FOR SPECIALIZED EXPERIENCE: High school graduate or the equivalent may be substituted for three months of specialized experience. Education in schools above the high school level may be substituted for experience on the basis of one academic year of study (i.e., 36 weeks or substantially full-time study or 30 semester hours or the equivalent.) for 12 months of the required experience.

KNOWLEDGE, SKILL, AND ABILITIES (KSA's): The following knowledge, skills, and/or abilities will be considered in the evaluation process. Although it is not mandatory to provide a separate KSA statement, your resume must reflect how you meet the requirements of the following factors. This will allow rating officials to consider your qualifications to their fullest extent.

1. Knowledge of Medical Supply System functions, cataloging, maintenance and disposal procedures to include control of supply stocks.
2. Knowledge of various types of medical equipment and required maintenance; ability to perform cyclic inventory.
3. Knowledge of Medical Supply System and Formulary procurement process with ability to operate Microsoft Office Programs.
4. Knowledge of ARIMS and PBUSE; ability to reconstruct records for complex supply transactions and produce reports.
5. Ability to conduct face-to face contact, telephone contact, and written correspondence to convey information.
